Hairtalk hair extensions are human hair, adhesive weft extensions that are applied without the need for tools or heat.

Hairtalk hair extensions are uniquely designed to lay completely seamless and undetectable in the hair. Manufactured with amazing quality human hair with the cuticle in-tact allows the hair to be reapplied up to 3 times, while still looking and feeling amazing. Clients will get 8 to 10 weeks of wear from each application with proper maintenance.

Hairtalk, believe's that one's choice to enhance their appearance with hair extensions should never contribute to hair loss or damage. Their history in hair replacement and hair solutions made this an easy concept to execute. Hairtalk continues to create extraordinary products that are non-damaging and safe while making the application process fast and affordable.

Hairtalk has discovered the best way to provide volume, length, highlights and dynamic color easily and without damage or hair loss. Unlike other methods available today, Hairtalk offers the most simple, fast, and extraordinary human hair extensions and enhancement solutions in the industry.

No heat, no tools. No damage.

All Hairtalk hair extensions are done by our certified technicians.
